The February 12 concert theme is "Into Temptation". A copy of the program is attached to this email.

Houston Friends of Music is pleased to present a Master Class with CANTUS at the University of Houston, Moores School of Music. Choirs prepared by Dr. Betsy Cook Weber and Richard Robbins will perform. CANTUS will work with the choirs presenting suggestions and technical advice on successful choral singing. We are fortunate CANTUS could include this class in their busy schedule. We are indebted to Dr. Weber for her input in preparation for this class. HFM funds this class and the faculty and students of Moores School work to prepare for the class, a truly cooperative effort.

There is no charge for this outreach event which is open to the public.
